➔ How will my Team score points

A: The users are awarded scores on the basis of the on-field performance of their
selected players in the live match. Check out our 'Points System' to know more about the points scored by your team

Team Creation:

→ ## What happens if the Officially announced Lineup is incorrect

A: Starting Lineup is a feature available only for specific matches, to assist our users in selecting their team based on the data from our feed providers. Contests will still continue even if there is a discrepancy by either official sources or GoKhiladi, which is why we recommend you do your own research for every match and every contest.

→ ## Is it possible to make changes to my team after the match starts

A: The deadline for each match is different. This is denoted by the ticker displayed on every match. You can make unlimited changes to your team before the deadline and one cannot make any more changes to their team after the deadline time.

→ ## Can I change my team for future matches

A: Yes, every user is required to create a new team for every match they play on GoKhiladi.

→ ## What is the purpose of Captain, Vice-captain in a team

A: The player you choose to be your team's Captain will earn 2 times the points and the Vice-captain you choose will earn 1.5 times the points for his performance.

→ ## Can I delete a created team?

A: There is no option to delete a team that has been created by you. If you wish to create another team, you can edit the original team to make your changes to it.

➔ **What to do if one of my chosen players is not playing in the match**

A: Any player chosen by you who does not officially play in the match will not score you any points. So, you need to choose your team carefully to be on the top of the leaderboard!

Contest creation/Joining:

➔ **What are Cash and Practice contests**

A: Cash contests are the ones where you participate by paying an entry fee and compete with others to win real money! The prize money will be awarded to the winners who have the highest points in the contest. Different Cash Contests have different winning amounts and the total number of members.
Click on any of the contests to know more!
On the other hand, A Practice Contest is for free. Once you're confident of your skills, you are then advised to join Cash Contests.

➔ **What are private and public contests**

A: Public contests are open for all to join whereas private contests let you invite & challenge your friends in the same contest. You can invite your friends by email or through any of your linked social accounts. Only those who have the code for a Private Contest can join that contest.

➔ **How do I create or join a Private contest**

A: To create a private contest
Select the match that you want to participate in

Click on the 'Create Contest' button

Create the contest of your choice using the given options

Invite your friends using a unique code made only for the contest

Your Friends can join such contest by entering that unique code

To join a Private contest
If you are a registered user and haven't already created a team for the match, you will need to create your team for the contest you're invited to

After creating your team, enter the invitation code on the contests page. Click on the 'Join' button. The system will confirm deduction of the entry fee for the contest from your account or prompt you to make payment in case your account does not have the adequate balance

If you are a new user, you will need to first register. After successful registration, you can follow the above steps starting with creating your team

Make the payment of the entry fee to the invited contest

➔ How do I join a public contest

After the match deadline

Click on the 'My Contest' tab. The contests you have joined will be visible to you under the 'Live' tab when the match is in progress.

Once the match is completed and results are declared. The contests you have joined will be visible to you under the 'Completed' tab once the match is completed.

Things to Remember:

*it will only display the match in "My Contest" if you have participated in a contest.

*If a contest is not filled with the required number of members the entry fee is refunded and the contest will not be visible in 'My Contest' Tab.

*Entry fee refunded should reflect in the recent transactions which are usually updated in 30 minutes once the deadline is locked.

➜ Can I join in contests for the future matches in advance

A: You can select your teams for all the matches that are open at any point of time.

➜ What if the contest doesn't fill up the minimum required slots

A: There are two types of contests on GoKhiladi:

Confirmed Contests which will continue even if they are not filled. You will see a 'C' icon next to these contests.

Non-confirmed contests will be cancelled if they are not filled. In this case, the contest will be cancelled and your entry fees will be refunded to your account within 2 hours.
